Mr. Jonathan Murray,

Charles A Murray & Co. Ltd.
5153 county Rd. #13
RR1, Everett, ON LOM 1J0

On behalf of the congregation of Emmanuel Howard Park United Church, we want to thank you and your company for the excellent execution of the first phase of our partial slate roof replacement and extensive copper eavestrough, downspout and flashing replacement on our historic church in the heart of Roncesvalles Village.

You have met and exceeded our expectations for this project. Your teams' knowledge and technical ability meant you were able to almost invent custom solutions to the quirky roofing conditions. At the same time this expertise meant that you were able to make repairs and work with existing conditions that made the project more affordable. The precision and attention to detail of your dedicated work team is truly evident in the quality of the end product.

We also appreciate the attention paid to maintaining above average health and safety standards. The project was located next to a busy street and your vigilant protection of the work area kept us at ease.

In addition you were always professional, very accommodating and easy to work with. We look forward to working with you on future projects.

Yours sincerely,

Barb McLean, B.Arch OAA
Chair, Property Committee

Joan Awrey
Chair, Church Council
